

# All hands on deck

GE Elfun are invited to participate in a once in a lifetime service adventure aboard the USS Missouri in Pearl Harbor.

**A** once in a lifetime opportunity awaits GE Elfun aboard the majestic "Mighty Mo", the world-famous battleship upon which Japan surrendered on September 2, 1945, ending World War II. Located a mere ship's length from the USS Arizona, this living memorial serves as a source of inspiration, education, outreach and legacy-building activities for generations to come.

Get a first-hand look at the inner workings of this mighty battleship as you help the USS Missouri Memorial Association maintain this historic vessel. Work in the beautiful Hawaiian weather with spectacular views of Pearl Harbor, mountains and the ocean. No special skills are needed to participate in the many service projects available — from cataloging blueprints and refurbishing "Officer's Country" living quarters to painting tomahawks on missile launcher turrets and various other projects that will help keep Mo floating tall and proud.

Experience life aboard firsthand by spending a night on the ship (*optional*). Be on her deck September 2nd for the solemn ceremony commemorating the 65th anniversary of the signing of the treaty which ended World War II.

Behind-the-scenes tours, educational presentations and a pier-side BBQ round out this unique experience. Accommodations are at the Waikiki Resort Hotel, just a short walk from Waikiki Beach. So join your fellow Elfun on this week-long, history-filled adventure co-sponsored by GE Elfun and Exploritas.

*Hotel accommodations, all meals except on a free day, educational programs, and motor coach transportation from hotel to shipside are included. A portion of the program cost may be tax-deductible — consult your tax advisor.*

## All Hands on Deck: Maintaining the USS Missouri

August 27 – September 3  
Program No. 2617

Tuition:  
Double occupancy \$1326  
Single occupancy \$1761

To enroll, call Exploritas  
at 1-877-426-8056.  
Outside the United States  
1-978-323-4141.
